

Nama Peserta : Bernard

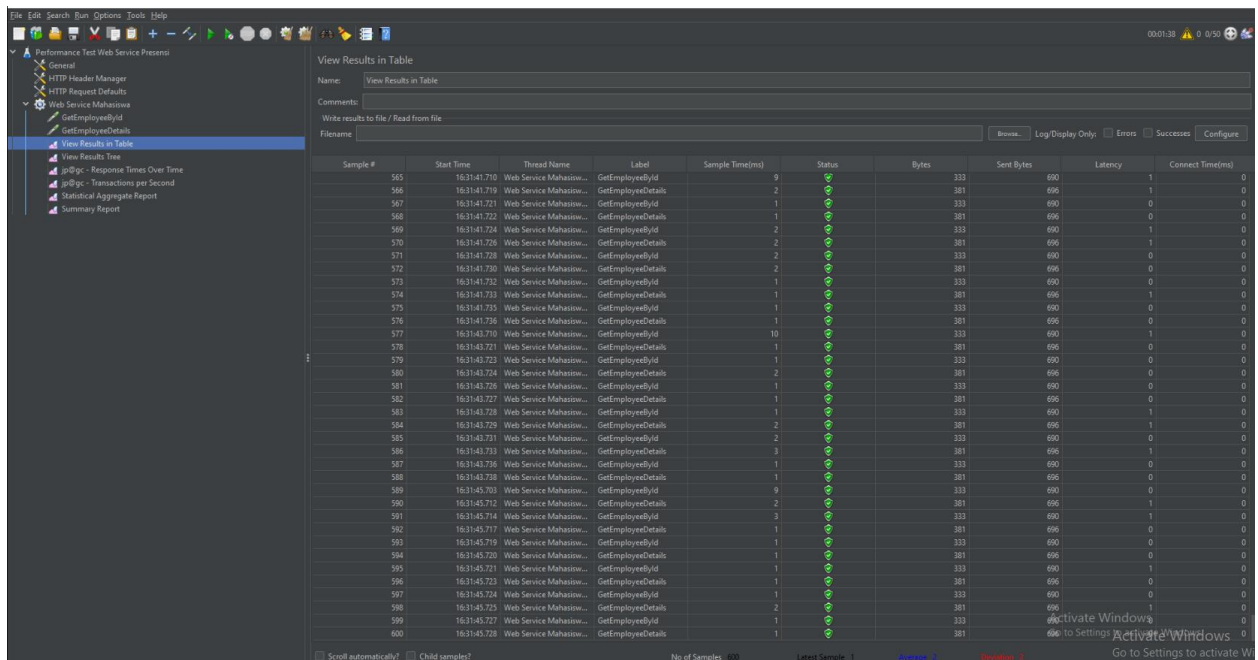

Kode Peserta : FSDO001ONL028

Tugas : Screenshot Sesi 12

1. Hasil dari Unit Testing pada Test Explorer

2. Hasil dari View Results In Table setelah melakukan Run

3. Hasil dari View Results In Tree setelah melakukan Run

The screenshot displays the JMeter interface with the 'View Results Tree' window open. The left sidebar shows the test plan structure, including 'Performance Test Web Service Presensi' and its sub-items. The 'View Results Tree' window is divided into two main sections: a tree view on the left and a detailed view on the right.

View Results Tree Details:

- Name:** View Results Tree
- Comments:**
- Write results to file / Read from file:**
- Filename:**
- Search:** (with checkboxes for Case sensitive and Regular exp., and buttons for Search and Reset)
- Text:** (selected tab)
- Sampler result:** (selected tab)
- Request:**
- Response data:**

Test Results Summary:

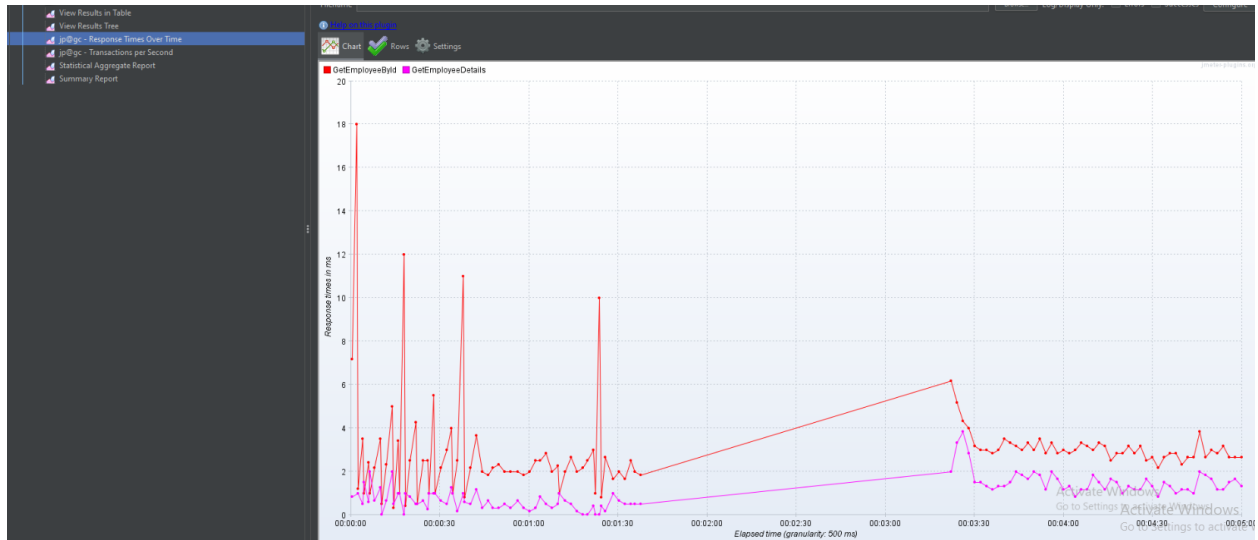

Thread Name	Sample Start	Load time	Connect Time	Latency	Size in bytes	Sent bytes	Headers size in bytes	Body size in bytes	Sample Count	Error Count	Data type	Response code	Response message
Web Service Mahasiswa 1-50	2021-10-19 16:31:45 ICT	1	0	0	381	696	330	51	1	0	text	200	OK

HTTPSampleResult fields:

- ContentType: application/json; charset=utf-8
- DataEncoding: utf-8

Raw / Parsed: (tabs at the bottom)

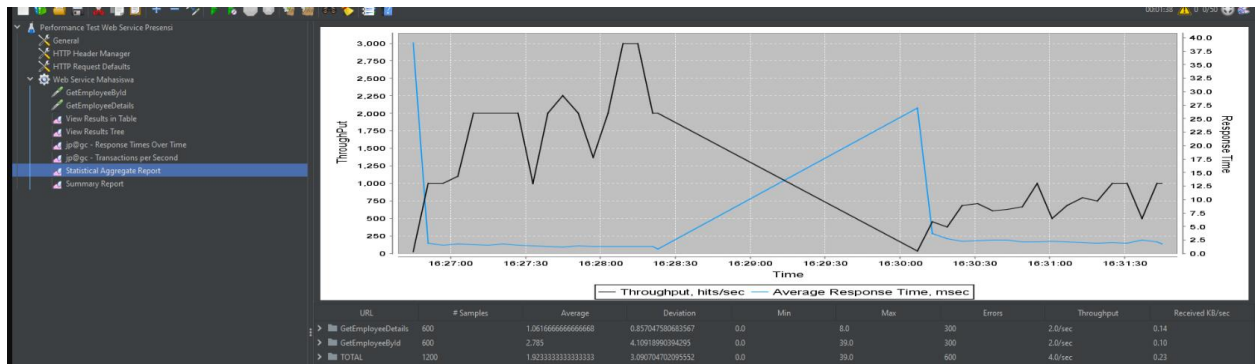

4. Hasil dari Response Times Over Time

5. Hasil dari Transactions per Second

6. Hasil dari Statistical Aggregate Report

7. Hasil dari Summary Report
